

Acres of lights, displays and amusements have made **Woodland Lights** one of the top holiday attractions in the region for three decades! What a great way for the community to celebrate the season, strolling through an enchanted woodland with family and friends.

OPENS NOVEMBER 17 Runs on select nights until December 14, then open nightly through December 30 (Closed Dec. 24&25).

Shine a light on your business as a Woodland Lights sponsor. In today's economy, it is even more important to ensure your giving is directed to areas with the highest impact and potential to reap the highest reward. With upwards of 20,000 visitors, Woodland Lights meets those requirements, while positioning your business and its brand alongside a beloved regional tradition. Your decision to sponsor Woodland Lights ensures that this magical holiday experience continues for multiple generations of visitors.

Thank you for helping us continue this much-loved tradition. We hope to count you as one of our financial supporters this year! Wishing you and your business health and prosperity in the coming year.
